

Thank you for your interest in The Dog House - The Ultimate Dog Retreat, a cage-free dog care facility for social dogs, with 24 hour supervision. Guests of the Grand Traverse Resort & Spa are now able to travel with their dogs and have access to them anytime during their stay. Owners are welcome to take their dogs out of our dog care facility any time, to visit with them or take them on an outing. Resort members, local residents and area visitors are also welcome to take advantage of our dog care services.

We provide a fun, safe, and caring atmosphere for our furry friends. All dogs must qualify for dog care through a pre-screening process via phone or email with one of our Dog Care Providers. Due to the pre-screening process, owners may not arrive with their dog without first having been approved through this process.* Reservations for dogs will be made as space allows due to this intimate and unique, boutique-style dog care facility.
